ference that a program be presented which may assist the local associations by working out a program for the year. It occurs to the committee that each fall the chairmen of all of the State Bar Committees should be invited to attend the conference meetings and that thus the State Association would gain equal profit with the local associations.

REPORT OF COMMITTEE ON FEE SCHEDULES

To the Minnesota State Bar Association:

Your Committee reports:

Report

Your committee reports no particular activity during the past year. The matter of preparing minimum fee schedules varies with each particular judicial district, in fact, within certain districts there have been county fee schedules prepared. There seems to have been considerable activity in many of the local associations toward an upward revision of their fee schedules.

Since the preparation of fee schedules is wholly a local problem, it is our feeling that it is unnecessary for the State Committee to be continued.
