REPORT OF TAXATION COMMITTEE

To the MINNESOTA STATE BAR ASSOCIATION:

Your Committee reports:

Report

The Special Committee on Taxation came into existence on October 5, 1948, as a result of a Board of Governors' Meeting held in St. Paul on September 18, 1948. At said Board of Governors' Meeting petitions were presented to the Board requesting the approval of the formation of a Tax Section of the State Bar Association. The approval of the Board was withheld at that time and in lieu thereof the President was directed to appoint a committee on taxation.

The committee was organized primarily for the purpose of doing the preliminary organization work for a Tax Section which the Board was to reconsider at a later meeting. This committee was also authorized to investigate the possibilities of making certain amendments to the Minnesota taxing statutes.

In conformity with these purposes several members of the committee met with the tax committee of the Minnesota Society of Certified Public Accountants who were also interested in state legislation with reference to taxes.

Because of the shortness of the period of time before the legislature met, the only effective work that could be done with reference to the legislation in which both the accountants and the attorneys were interested was to make certain recommendations to the Minnesota State Tax Commissioner concerning such legislation.

With reference to the other purposes for which the committee was organized, steps were taken to insure the formation of a Tax Section of the Bar Association and as a result the matter was reconsidered by the Board of Governors at its meeting on January 15th, 1949, in St. Paul. At that time the Board approved the petition signed by fifteen members of the Bar Association.

The committee has also undertaken to make arrangements in behalf of the Tax Section, which is in the process of being organized, to present a Tax Institute to be held at the annual convention of the Minnesota State Bar Association in St. Paul on June 22.

Upon the completion of the organization of the Tax Section the work of this committee will be assumed by the section.
